

## HOME HAPPENINGS

—J. F. Carroll has a new five-passenger Ford touring car.

—Let us hope for no more ice or snow for many months. We've had a plenty.

—The reign of the groundhog ended last week but there has since been not a little crimp in the air several days.

—A hot water heating system is being installed by R. E. Lee in the North Broad street residence of P. T. Jones.

—Edward Powell is suffering from a fractured leg, the result of a friendly scuffle some days since with other Normalites.

—Plans are being perfected for a Boys' Club in Canfield. Some trouble is being experienced in securing a suitable room.

—The Stuttsbury Club was pleasantly entertained Tuesday afternoon at the home of Mrs. F. A. Morris on North Broad street.

—The Normal College Athletic Association is organizing a base ball team and practice will begin as soon as the weather permits.

—Quite a number of Canfield Odd Fellows, relatives and friends attended the funeral of W. H. King in North Jackson Thursday forenoon.

—Two large flocks of wild geese have passed over the village the past week, making it certain that real spring will soon be with us.

—Mary A. Reid, entertainer of Cleveland, will give "The Dawn of Tomorrow" in the Presbyterian church Friday evening, April 6.

—Parts of the macadam road leading to Youngstown are in bad condition and unless soon repaired will be about as difficult to travel as dirt roads.

—Some people never hand in an item of news for publication, but if we happen to miss an item in which they are interested they are sure to hand us a north pole star that would freeze a polar bear.

—Canfield boys and girls, some of them just out of swaddling clothes, glide along the sidewalks on roller skates with ease and grace, giving the impression that they never traveled in any other manner.

—Wheat in the ground in this locality looks decidedly sickly. It is in on the ground and shows very little evidence of life. The long, hard winter, with little snow much of the time, had a killing effect.

—The Altimo Natural Gas Co. expects to begin drilling for gas on its leases about the first of next month. A car load of pipe for casing wells has been received and the drilling outfit will be here in a few days.

—A two-horse wagon loaded high with burial caskets was one of the cheerful scenes on Broad street last Saturday afternoon. The coffins were being taken to the county infirmary where death is a frequent visitor.

—The Ladies' Aid Society of the Presbyterian church will hold an all-day meeting at the church Thursday, March 22. The annual election of officers will take place at 2 p. m. and it is desired that all members possible attend.

—J. S. Harding of Ellsworth township will build the coming spring and summer a fine residence, barn and other outbuildings across the Canfield Ellsworth road from his present palatial home. E. E. Hull of Canfield has the contract.

—The last number of the college lecture course will be given this (Thursday) evening by Ray Newton, the Mystic Man. Newton is credited with being one of the cleverest magicians on the road. He will doubtless attract a large audience.

—A Bell telephone pay station has been placed in the real estate office of C. S. Dodd on North Broad street. The company suspended local service some months since and many people have been inconvenienced as all points cannot be reached by independent lines.

—Cox Brothers have their building near the Erie station ready for the machinery to be used in making brick and cement blocks, pillars, etc. There has been some delay in the shipment of machinery, but it is expected that same will shortly arrive and that the plant will be in full operation within a few weeks.

—A large audience greeted the Rosemont Dramatic Club which presented the drama, "My Awful Wife," in a creditable manner in College Chapel last Saturday night. The receipts amounted to about \$60, and the College Athletic Union, under whose auspices the entertainment was given, is \$27 to the good.

—At the meeting of Men's Club in the Presbyterian church parlors last Friday night Fred Brown of Youngstown gave a very interesting and instructive talk on China. Mr. Brown has for the past fifteen years devoted much time to the study of China, having become interested through Y. M. C. A. missionary work being done there and his desire to present many facts regarding the country and people entirely new to his audience. Special music was furnished by W. L. Bryson, J. B. Jones and Harry Manchester. At the business meeting Aaron Wiesner was elected president for the ensuing year; A. A. Manchester, secretary; treasurer, J. L. Manchester. President Wiesner, on taking the chair appointed the several standing committees. At the close of the session refreshments were served.

—Warren H. King died Monday afternoon in the Toledo state hospital where he went for treatment several years since. Deceased was born in Berlin township about 56 years ago. When a young man he attended the Canfield public schools. Later he came here to live. He possessed an inventive mind and while following the vocation of well drilling invented and had patented a number of articles for use on the farm. He was a member of Canfield lodge of Odd Fellows. Surviving him are his wife and three daughters, Laura, Helen and Frances, who reside in Warren. The remains were taken to Warren Tuesday evening and a short prayer service was held at the family home Thursday morning. Later funeral services were held from a North Jackson church. The Odd Fellows had charge of the services at the grave in the North Jackson cemetery.

## NEIGHBORHOOD NEWS.

—Alliance will spend \$140,000 to secure an ample water supply for the city.

—The fine farm home of Frank Crogan near Kinsman burned last Sunday. Fire is supposed to have started from a defective flue.

—A fire pot containing a gallon of gasoline exploded in a Niles Plumbing shop Tuesday morning, doing damage by fire and otherwise estimated at \$1,000.

—James Burnett of Coalburg, Trumbull county, where he was born 84 years ago, died last week Thursday night from the effects of a stroke of paralysis.

—Clarence Darrow, the noted barrister, is said to be in failing health at Los Angeles, Cal., and his friends fear that he will never be able to stand trial under the indictment which he is resting.

—Clement Rockhill died last Sunday of cancer at his home in Alliance. He was born Jan. 8, 1828, in the house where he died. To live 84 years in the same house is a pleasure not given many men.

—Mayor of Alliance is trying to clean the streets of the city of women who make themselves obnoxious, and has sentenced a few well known characters to long terms in the Canton workhouse.

—The Byers rolling mill in Girard shut down last Saturday on account of scarcity of orders and a large number of men are out of work. It is hoped that the plant will resume operations the first of next month.

—Patterson or Boxwell examinations will be held in every Ohio county the third Saturday of April and the third Saturday of May. To all pupils who pass the examination free tuition must be furnished in some high school.

—As a result of a head-on collision between two Lake Shore engines south of Alliance, Sunday morning, the engines were badly damaged and one coal car and contents demolished. The two engine crews jumped and escaped serious injuries.

—Mahoning county is to furnish the jury for a damage case against Columbiana county which is to be called at Lisbon next Tuesday. W. L. Bryson of Canfield, D. R. Lehman of Green township, Frank Miller of Boardman, W. A. Moherman of Jackson, Joshua Busard and David Beck of Springfield are among the jurors summoned. In this case jurors will receive \$3 a day instead of the usual \$2.

Letter to H. J. Dickson  
Canfield, Ohio.

Dear Sir: A few years ago, a New York daily got up a great agitation for dollar gas, and got it. The State passed the law, and the people liked it, of course, till the bills came in. The bills were bigger, not less; the law didn't say what the gas should be. The price of a gallon of honest paint is \$2.25; but there's "paint" all the way from 35 cents to \$2.25. A popular price is \$1.85; there are scores of "paints" at that price. Like dollar gas.

If \$2.25 is the price of a gallon of honest paint, you may be quite sure there are scores of "paints" at all prices from that down, with paint enough in them to pass for paint. And what are you going to do about it? It takes from \$2 to \$4 a gallon to pay the painter for doing his work. Is it worth while to pay \$2 to \$4 a gallon for brushing-on paint half whitewash?

No; the expense of that extra and useless labor makes counterfeit paint cost more than true. The remedy is Devoe. There are eight honest paints; Devoe is the strongest one of the eight. Yours truly  
F. W. DEVOE & CO  
F. A. Morris sells our paint.

Arousing the Married Man. "I understand there is another Jack the Ripper, and he is operating in this town." "That so?" "Yes. He doesn't slay women, he merely slashes their gowns to ribbons." "Heavens! He must be apprehended."

The "Child's Welfare" movement has challenged the attention of thoughtful people everywhere. Mothers are natural supporters and will find in Folsy's Honey and Tar Compound the most valuable aid. Coughs and colds that unchecked lead to croup, bronchitis and pneumonia yield quickly to the healing and soothing qualities of Folsy's Honey and Tar Compound.—F. A. Morris, Canfield.

A Few.  
If girls do  
Adopt the tune  
We know some who  
Will look unlie.

R. G. Collins, Postmaster, Barnesgat, N. J., was troubled with a severe laryngeal cough. He says: "I would be completely exhausted after each fit of violent coughing. I bought a bottle of Folsy's Honey and Tar Compound and before I had taken it all the coughing spells had entirely ceased. It can't be beat." F. A. Morris.

To Be Sure.  
"Are you afraid of the microbes which are said to lurk in kisses?" "It depends on what sort of a looking girl I am with."

Stops earache in two minutes; toothache or pain of burn or scald in five minutes; hoarseness, one hour; muscleache, two hours; sore throat, twelve hours.—Dr. Thomas' Electric Oil, monarch over pain.

C. C. Bowman, administrator of the estate of Mrs. Anna Ames, deceased, will sell at her late residence on the Ellsworth-Salem road, 2 miles south of Ellsworth, Saturday, March 30, commencing at 1 p. m., a lot of household goods, consisting in part of bedsteads, tables, chairs, dresser, center table, bureau, stands, writing desk, settee, bed lounge, stoves, tubs, boiler, dishes, fruit jars, carpets, hat rack, pictures, books, scales, clock, etc. C. T. Agnew, auctioneer.

Don't Kick This One.  
(By Farmer)  
A Greenford farmer's dog came to town.

And the boys started kickin' that dog around.

He wasn't built like the Missouri bound.

So the boys stopped kickin' that dog around.

Those who are seeking the very best in the nature of title investigation, that which is by far the cheapest in the end, are satisfied with nothing short of our title insurance policy.

If the man of large means considers it necessary for his protection, much more ought the man of moderate means who can ill afford to lose that which he has. There's a reason.

## Kemp's 20th Century Manure Spreader

Kemp's Spreader will reduce the draft at least one horse and adds years of life. We insure all shafts running in line and retaining in oil. Kemp's 20th Spreader is the lightest draft Spreader on the market.

Spreading is generally done when ground is rough; large and heavy loads are usually hauled. Kemp's 20th is built to withstand severe tests; firmly bolted, trussed and made from the best material that money can buy.

Cold rolled steel axles are large in diameter, steel wheels, made to withstand ammonia in manure. Kemp's Spreader is roller bearings. Get our latest Spreader book. Ask for J. O. 24.

Value of Manure

When properly pulverized and evenly distributed over the ground, manure is the best and most economical fertilizer that can be used on our clay soil. The additional crops produced will ordinarily more than pay for the Spreader each year it is used. Besides much labor is saved.

Don't forget I carry a complete stock of the genuine Oliver Chilled Plows on hands at all times.

## How Good is Good Enough?

In LIFE INSURANCE Only the BEST is GOOD ENOUGH.

The Equitable Life Insurance Co. of IOWA

commands the confidence and high regard of LIFE INSURANCE EXPERTS as evidence by the following quotations.

"The EQUITABLE of IOWA is a conspicuous example of what a small company, conservatively managed, adhering always strictly to the cleanest methods, can accomplish in giving its patrons the best there is in life insurance. The Equitable is the peer of any company, big or little, in existence."—LIFE INSURANCE INDEPENDENT, December, 1908.

"The Home Office management of the Equitable Life of Iowa has been noted for many years for its economy."—Best's INSURANCE REPORTS, 1907.

"The dividends earned by this company, due to favorable mortality, large interest earnings and economical management, have been exceptionally good."—BEST'S INSURANCE REPORTS, 1907.

"It is the cream of LIFE INSURANCE," says the WESTERN UNDERWRITER. Its contracts of insurance are SECURED PROMISES TO PAY.

For information as to rates, form of policy best suited to your needs, see D. H. Johnston, Gen. Agt., 304-5 Federal Building, Youngstown, Ohio, whose TWENTY THREE YEARS of experience in life insurance work enables him to give valuable advice on the subject.
